Intro:
```
[ C     -   | C    -   | C    -   | C    -      ]
                                            I never
```

Verse:
```
  C                           G
thought my life would end up quite this way    sometimes it's

  C                           G
hard to figure out what I should say      I've tried too

  F                   C
long to mend this broken heart

Am      Dm      G
I  need  you        that thing you
```

Interlude:
```
[ C    -   | C     -    ]
  do                when we're
```

Verse:
```
  C                           G
apart i find it very hard to smile        you know the

  C                           G
other girls had never been my style      well there's a

  F                   C
feeling that I get when I'm with     you

Am      Dm      G
I  need  you        that thing you
```

Interlude:
```
[ C    -   | C     -    ]
  do                I could
```

Bridge:
```
 A♭              E♭          F
search around the world, only to find       the only

 A♭              E♭          F
thing I need is you, right by my side
```

Solo:
```
[ C    -   G   -    ]
[ C    -   G   -    ]
```

```
F                         C
feeling that I get when I'm with     you

Am              Dm        G
oh  oo  oh  oo   oh             that thing you
```

Interlude:
```
[ C       -      ]
  do           I could
```

Bridge:
```
A♭              E♭          F
search around the world, only to find       the only

 A♭              E♭          F
thing I need is you, right by my side          I never
```

Verse:
```
  C                           G
thought my life would end up quite this way    sometimes it's

  C                           G
hard to figure out what I should say      I've tried too

 F                   C
long to mend this broken heart

Am      Dm      G
I  need  you        that thing you
```
