

# Cello Standards: Harmonics and Overtones

Identify the harmonic number sequence and note name on the instrument diagram. Identify the number of harmonic nodes from the vibrating string diagram, the intervallic distance from the fundamental, and the chordal interval in relation to the root.

Natural Harmonic Location	Harmonic Nodes	Interval from fundamental	Chordal Interval
open	Diagram showing 7 nodes on a string	_____	_____
IV	Diagram showing 6 nodes on a string	_____	_____
III	Diagram showing 5 nodes on a string	_____	_____
II	Diagram showing 4 nodes on a string	_____	_____
I	Diagram showing 3 nodes on a string	_____	_____
		Fundamental	Root

Note the fundamental (open string) and then the first seven natural harmonics for each string in the staves provided below.

I -

II -

III -

IV -

# Cello Standards: Harmonics and Overtones

Identify the harmonic number sequence and note name on the instrument diagram. Identify the number of harmonic nodes from the vibrating string diagram, the intervallic distance from the fundamental, and the chordal interval in relation to the root.

Natural Harmonic Location	Harmonic Nodes	Interval from fundamental	Chordal Interval
IV	7	22nd	P1 (3rd Octave)
III	6	21st	m7
II	5	19th	P5
I	4	17th	M3
	3	15th	P1 (2nd Octave)
	2	12th	P5
	1	8ve	P1 (1st Octave)
open		Fundamental	Root

Notate the fundamental (open string) and then the first seven natural harmonics for each string in the staves provided below.

I - A

II - D

III - G

IV - C
