Verse: | C#m - | C#m - |

C#m A
On the other side of a street I knew stood a girl that looked like you

E B
I guess that's déjà vu but i thought this can't be true cause

C#m A
You moved to west L.A or New York or Santa Fe or

E B
wherever to get away from me

Prechorus:

F#m A
Oh but that one night was more than just right

C#m B
I didn't leave you cause I was all through

F#m A
Oh I was overwhelmed and frankly sacred as hell

G#7sus4 G#7
because I really fell for you

Chorus:

A E B C#m B
Oh I swear to you I'll be there for you this is not a drive by - y - y - y

A E
Just a shy guy looking for a two-ply

B C#m B
hefty bag to hold my - y - y - y - y love

A E
when you move me everything is groovy

B C#m B
they don't like it sue me mmhmm the way you do me

A E
Oh i swear to you I'll be there for you

F#m G#7 C#m / [C#m]
this is not a drive by - y - y - y

Verse:

C#m A
On the other side of a downward spiral my love for you went viral

E B
and I loved you every mile you drove away

C#m A
but now here you are again so let's skip the "how you been" and

E B
get down to the "more than friends" at last

Prechorus:

F#m A
Oh but the one night is still the highlight

C#m B
I didn't leave you until I came to

F#m A
and I was overwhelmed and frankly scared as hell

G#7sus4 G#7
because I really fell for you

Chorus:

A E
Oh I swear to you I'll be there for you

B C#m B
