Verse:

G Am
Tell me the way you feel, the way that you feel when you fall I

G Am
want you to know from me I will be there when you call when

G Am
sadness surrounds you and you don't know where to turn, turn, turn

G Am
Remember these words I say words that I hope you have learned

Chorus:

G Am
So give it to me like it is, yeah, like it's always been until the end

G Am
Our love is a like friendship that's on fire

G Am
And even when the shadow grows and even when you're feeling low

G Am
I will be with you down to the wire

Verse:

G Am
Time keeps on rolling on with every break of the morning sun

G Am
All we can hope for is life lived in full when it's said and done so

G Am
wrap yourself around me and hold me like you never gonna let me go

G Am
just like the river my love for you never stops the flow

Chorus:

G Am
So give it to me like it is, yeah, like it's always been until the end

G Am
Our love is a like friendship that's on fire

G Am
And even when the shadow grows and even when you're feeling low

G Am
I will be with you down to the wire

Bridge:

F F Am G

F F Am Am

astray our love is the light that leads the way
